

CURRICULUM VITAE

April, 2017

PERSONAL

Name: Frank Alfred Catalanotto, D.M.D.

Date and Place of Birth: August 4, 1944; Brooklyn, New York

Marital Status: Married - 3 Children

Home Address and Telephone: 10302 SW 23rd Avenue
Gainesville, FL 32607
(352) 373-7203, (352) 256-5909

Business Address: University of Florida College of Dentistry
PO Box 103628
Gainesville, FL 32610-0405
(352) 273-5971 (department office); (352) 273-5985 (Fax);
(352) 273-5970 (personal office) (352) 256-5909 (cell)
E-mail: fcatalanotto@dental.ufl.edu.

Emergency Contacts: Jane Catalanotto (spouse) 352-256-5866
Rebecca Catalanotto (daughter) 352-246-8761
Thomas Catalanotto (brother) 513-892-5855

EDUCATION

1961-64 no degree, Siena College, Loudonville, New York

1964-68 D.M.D., College of Medicine and Dentistry of New Jersey, New Jersey Dental School

1968-71 Research Fellow in Pediatric Dentistry, Harvard School of Dental Medicine and Children's Hospital Medical Center, Boston, Massachusetts

MILITARY EXPERIENCE

1972-74 Associate Epidemiologist, Naval Dental Research Institute, Naval Base Great Lakes, Illinois

1975-88 Staff Dentist, U.S. Army Reserve, Dental Corps
Final Rank: Lieutenant Colonel

PROFESSIONAL LICENSURE

- 1968 New Jersey State Board of Dentistry, D108622/ CDS #D-49189
- 1972 Illinois State Board of Dentistry, #019-014717
- 1988 Specialty Certification in Pedodontics, New Jersey State Board of Dentistry
- 1995 Florida State Board of Dentistry, Teaching Permit #DTP224
- 2006 National Provider Identification #1477502243.
- 1975 American Dental Association Member # 167-680-042

BOARD CERTIFICATION

- 1973 Board Eligible, American Board of Pediatric Dentistry - Passed Written and Oral Examinations, Grandfathered eligibility to direct advanced education program in Pediatric Dentistry

ACADEMIC EXPERIENCE AND APPOINTMENTS

- 2006- Professor, Department of Community Dentistry and Behavioral Science, UFCD

1989-91 *Ad Hoc* Committee for Establishment of Guidelines for Permanent Residency
1989-92 UMDNJ - University-wide AIDS Education Steering Committee Member
1989-90 Search Committee Member, Dean, Graduate School of Basic Sciences, UMDNJ

University of Texas Health Science Center at San Antonio (1985-88)

a) Department:

1985-88 Sophomore Course Director - Pediatric Dentistry

b) School:

1987-88 Resource Committee to Respond to Blue Ribbon Panel on Dental and Allied Health Education
1986-87 Strategic Formulation and Implementation Group (Strategic Planning)
1985-88 Dental School Faculty Council

c) University:

1987-88	Committee on Institutional Effectiveness Southern Colleges Accreditation Self-Study
1986-87	Search Committee Member - Chair, Biochemistry
1986-88	Institutional Review Board

University of Connecticut Health Center (1974-1985)

a) Department:

1984-85	Course Director - Third Year Pediatric Dentistry
1980-84	Director - Pediatric Dentistry Graduate Program
1980-84	Director - Pediatric Dentistry Hospital Program

b) School:

1984-86	Steering Committee, Self-Study Accreditation Project
1984-85	Predocctoral Academic Affairs Committee
1984-85	Predocctoral Admissions and Student Affairs Committee
1984-85	Faculty Practice Board of Directors
1980-84	Graduate Clinical Education Committee
1978-82	Director - Dental Faculty Practice
1974-78	Electives Committee

c) University:

1984-85	Health Center Master Plan Steering Committee
1984-85	Dental Clinical Investigator Review Panel
1984-85	Vice President's Advisory Committee
1983-85	Representative to Medical Board of University Hospital
1983-84	Health Center Space Committee
1982-84	Operating Room Committee
1982-83	Search Committee for Director of the University Hospital
1981-82	Health Center Faculty Nominating Review Committee
1980-85	Bioengineering Oversight Committee
1980-84	Health Center Research Advisory Council
1980-84	Graduate Center Scholarships & Awards Committee
1974-78	Electives Committee

RESEARCH AND GRANT ACTIVITY

Current Interests: Health Services Research related to oral health disparities, access to oral health care, cultural competency and health care ethics.

a) Current Support

1) National

Co-Investigator (10% Matching effort)- Summer Health Professions Education Program (SHPEP), Robert Wood Johnson Foundation. \$415,000 , 2016-

Program Director/Principal Investigator (20% Funded Effort), Faculty Development Supporting Academic Dental Institution Curriculum for the 21st Century/Faculty Development in General, Pediatric and Public Health Dentistry and Dental Hygiene , HRSA 2012-2017, Grant #D86HP24477, \$2,500,000 Direct plus Indirect Costs

Program Director (10% effort), Increasing Access to Oral Health Care HRSA grant #D84HP19952, \$1,284,837 Direct plus Indirect Costs, 2014-2017

Principal Investigator (10% effort), Evaluating Florida's Oral Health Needs and Workforce Capacity State Oral Health Workforce grant, HRSA Grant #T12HP27541, 9/1/14- 8/31/17. \$1,470,010

b) Past Support:

1) National:

Program Director/Principal Investigator (25% funded effort), Enhancement of predoctoral dental education at UF to meet oral health needs of diverse populations/Predocotrual Training in General, Pediatric and Public Health Dentistry and Dental Hygiene, HRSA Grant # D85HP20030 HRSA 2010-2015, \$3,712,323 Direct plus Indirect Cost

Principal Investigator (10% effort), Southeast Center To Reduce Disparities in Oral Health, (Assumed Role upon Retirement of PI Dr. Henri Logan) U54DE019261, NIDCR, \$615,823, No Cost Extension 2014-2015

Co-Investigator (5% effort) , “Exploring Determinants to HPV-Related Oral Health Literacy Among Dental Providers” , NIH 1R21DE024272 grant to PI Ellen Daly, Subcontract from University of South Florida, 8/1/14- 7/30/16, \$34,739

State

Co-Investigator (5% effort), External Quality Review-Medical Quality Auditing Service, PI- EA Shenkman, Subcontract from Florida Health Kids Corporation/Agency For Health Care Administration, \$34,786 9/1/14- 12/31/15

Co-Investigator (2% effort), Testing Pediatric Oral Health Performance Measures: ER use and General Anesthesia for Caries Related Reasons (Sub-award from Jill Herndon, Med/ICHEP), American Dental Association Foundation, \$8,450, 3/14 – 9/14,

Co-Investigator (2% effort), Testing EMeasures in Pediatric Dentistry (Sub-Award from Jill Herndon, MED/ICHEP, American Dental Association Foundation, \$17,570, 11/13- 7/14

Co-Investigator (2% effort), Reimbursing Medical Providers for Early Childhood Caries Prevention Services (Subaward from Jill Herdon,MED/ICHEP), RO3DE021701, NIDCR, \$55,904. 2013-2014

Co-Investigator (3% effort), Reimbursing Medical Providers for Early Childhood Caries Preventive Services, NIH grant # 1RO3 DE021701, 4/1/2011- 9/30/2013, \$293,000

Principal Investigator (9% funded effort), University of Florida Chemosensory Clinical Research Program, 2006-2011, \$2,494,394, 2006-2007 \$176, 822, National Institute of

Health, R33-DC008613, (note that the effort increased to 30% funded effort in September, 2007)

Principal Investigator (20% funded effort; 9% matching effort), T12HP07706-02, Grants to States to Support Oral Health Workforce Activities from Health Resources and Services Administration, 2006-2009 \$400,000.

Co-Investigator, (10% funded effort), Robert Wood Johnson Foundation Grant to Expand and Enhance Community Based Education, UF 63803, 2008-10, \$200,000

Principal Investigator (no funded effort, equipment grant), ARRA-Equipment To Enhance Training for Health Professions, HRSA Grant # D76HP20573, 2010-2011, \$298,500 Direct Costs

Principal Investigator (15% funded effort), Improving Access and Reducing Oral Health Disparities: Training in Primary Care Medicine and Dentistry, Health Resources and Services Administration, 2003-2006, \$400,000; \$140,00 in 2003-04, \$138,000 in 2004-05; \$124,000 in 2005-6

Co-Investigator (1% effort), Otitis Media and Obesity, National Institutes of Health, 2006-2007; Dr. Linda Bartoshuk, PI

Co-Investigator, Community Oriented Dental Education, FIPSE, 1993-1996, \$310,000.

Principal Investigator "Northeastern Minority Oral Health Research Center," NIDR, 1992-1995, \$1,110,155.

Program Director "Short Term Training for Students in Health Profession Schools" NIDR Grant # DE07219, 1990-95, \$14,000 per year.

Program Director, Biomedical Research Support Grant, NIH, 1990-91, \$10,000.

Program Director, Biomedical Research Support Grant, NIH, 1989-90, \$22,000.

Principal Investigator, Connecticut Chemosensory Clinical Research Center, NINCDS, 1984-1989, \$3,600,000.

Principal Investigator, Connecticut Chemosensory Clinical Research Center, NINCDS, 1981-1984, \$2,324,000.

Principal Investigator: "Effects of Maternal Zinc Deficiency Upon Tooth Enamel Zinc," NIDR, 1978-1980, \$41,302.

Principal Investigator, Research Career Development Award: "Sensory Physiology in Health and Disease," NIDR, \$181,612.

Principal Investigator: "Neurosensory Deficits in Craniofacial Anomalies" (Special Dental Research Award DE-4130), NIDR, 1975-1978, \$25,532.

Trainee: Postdoctoral Training Grant DE00112 to Harvard University, School of Dental School, NIDR, 1968-1971, \$20,500.

2) Other Past Support/ State and Foundation

Co-Investigator, Evaluation of Florida Health Kids. Florida Healthy Kids Corporation, (subaward from Jill Herndon, MED?ICHEP), \$8,036, 2011- 2013

Principal Investigator, UFCD Gator Kids Healthy Smiles, Florida Department of Health, HRSA T12HP19631, 2011-2013, \$191,142

Principal Investigator (10% non-funded effort), Agency for Health Care Administration, Beyond Reimbursement: Factors affecting dentists' participation in Florida Medicaid Program, April 1, 2010- June 30, 2011, \$130,000

Principal Investigator, (10% funded effort), Health Foundation of South Florida, Physician Implemented Oral Health Procedures, 2008-10, \$200,000

Principal Investigator (2% as matching funds), Florida Developmental Disabilities Council, ADEA Advocacy Day October 2 & 3, 2008, \$14,762

Principal Investigator (2%), Florida Developmental Disabilities Council, \$35,000 Expanding Physician Education about Early Childhood Caries

Co-Investigator, Children's Oral Healthcare Access Program, 1.95% effort, Florida Department of Health Grant, 12/19/08- 6/30/09

Principal Investigator,, Subcontract from Florida DOH to prepare 5 Hour CE Course for General Dentists on Prevention and Manage of ECC in Very Young Children, 2009-10, \$20,000

Principal Investigator, Taste function after Traumatic Brain Injury, funded by the McKnight Brain Institute and the Comprehensive Research Center in Pain, University of Florida, 2002-2004, \$5,000

Principal Investigator, Taste sensitivity, food intake and oral health, funded by the UF College of Dentistry, Research Committee, 2004-05, \$10,000

Principal Investigator (55% total effort;25% extramural funded effort; 30% UFCD Matching funds), Dental disease as an ambulatory care sensitive condition, Florida Agency for Health Care Administration, 2004-2005, approximately \$100,000

Principal Investigator (35% total effort; 15% extramural funded effort and 20% UFCD Matching funds), Dental Disease as an ambulatory care sensitive condition, Florida Agency for Health Care Administration, 2005-06, approximately \$100,000

Principal Investigator: "Effects of Local and Topical Anesthetics on Taste Function," Foundation of UMDNJ, 1989-1991, \$24,525.00.

Principal Investigator, "Connecticut Chemosensory Clinical Research Center," University of Connecticut Research Foundation, 1984-1985, \$14,000.

Co-Investigator: "Chemosensory Function and Zinc Metabolism in Alcoholics," University of Connecticut Research Foundation, 1984-1985, \$15,500.

Principal Investigator: "An Evaluation of Gustatory Sensitivity in Zinc Deficient Adult Rats Using a Conditioned Aversion Procedure," University of Connecticut Research Foundation, 1979-1980, \$550.

Principal Investigator, "The Role of Palatal Receptors in Taste Perception," University of Connecticut Research Foundation, 1979, \$500.

Principal Investigator: "Effects of Dietary Methionine Supplementation Upon Preferences for NaCl Solutions," University of Connecticut Research Foundation, 1978-1979, \$500.

Co-Investigator: "Behavioral and Electro-physiological Correlates of Zinc Deficiency" (with M. Frank), University of Connecticut Research Foundation, 1977-1978, \$3,000.

Principal Investigator: "Effects of Altered Salivary Flow Rate on Taste Acuity and Taste Bud Function," University of Connecticut Research Foundation, 1976-1978, \$9,350.

Principal Investigator: "Oral Manifestations of Osteogenesis Imperfecta," University of Connecticut Research Foundation, 1975-1977, \$500.

Principal Investigator: "Physiologic and Genetic Characteristics Related to Dental Caries Status," University of Connecticut Research Foundation, 1975-1977, \$722.

Principal Investigator: "Neurosensory Deficits and Craniofacial Anomalies," University of Connecticut Research Foundation, 1974-1977, \$9,375.

GRANT PEER REVIEW ACTIVITY

- 1977-78 Consultant, Peer Review of Research Grant Applications, NIH
- 1980 Research Grant Review, NIH, three site visits for NIDR and NINCDS, March-April 1980.
- 1981 Research Grant Review, NIH site visit for NIDR and NINCDS, May 1981.
- 1984 Study Section Participant, NIH Site Visit for GCRC Program
- 1984 Consultant, NIDR, *Ad Hoc* Reviewer and Site Visitor of Intramural Research Laboratories
- 2004 Special Reviewer, Maternal and Child Health Research Grant Review (twice)
- 2004 SIG Grant Reviewer, Centers for Disease Control
- 2005 Special Reviewer, Maternal and Child Health Research Grant Review

- 2005 Special Reviewer, HRSA Primary Care, General Dentistry grant review
- 2011 HRSA grant reviews, Primary Care Training Grants, May 23, 2011
- 2013 CMS Innovation Grants, Round Two, November-December, 2013
- 2015 CMS CMMI Grant Reviews, March, 2015
- 2015 NIDCR Special Study Section to Review Oral Health Disparities Centers May, 2015

MENTORING ACTIVITY

- 1976 - Peter Lacy - Undergraduate Dental Student, "Zinc Deficiency and Taste Acuity."
1977 - Gary Derkson - Pediatric Dentistry Graduate Student, "Lateral Tongue Reflex in Newborn Infants."
1977 - William Wrobel - Pediatric Dentistry Graduate Student, "Lateral Tongue Reflex in Newborn Infants."
1979 - Craig Leffingwell - Undergraduate Dental Student Summer Fellowship, "Effects of Surgical Desalivation on Taste Acuity in Rats."
1982 - Nancy Ryan - Masters' Candidate in Nutrition, Storrs campus, "Nutrition, Zinc Status and Chemosensory Function in Renal Disease."
1983 - Luciano Marini - Undergraduate Dental Student Summer Fellowship, "Zinc Deficiency and Wound Healing."
1983 - Nancy Fey-Yensen - Masters' Candidate in Nutrition, Storrs Campus, "Food Behavior in Patients with Anosmia."
1984 - Trisha Harding - Masters' Candidate in Nutrition, Storrs Campus, "Vitamin B Deficiency and Taste Function."
1984 - Marjorie Jackson - Doctoral Candidate in Nutrition, Storrs Campus, "Chemosensory Function, Zinc Metabolism, and Nutrition in Liver Disease."
1984 - Robert Zatz - Undergraduate Dental Student Summer Fellowship, "Chemosensory Function in Liver Disease."
1985 - Maria Asciola - Undergraduate Dental Student Summer Fellowship, "Chemosensory Function in Sjogren's Syndrome."
1987 - Deborah Braun - Undergraduate Dental Student, Seminar Project, "Clinical and Laboratory Tests for S. Mutans."
1990 - Yanique LeCadre - Undergraduate Dental Student, Summer Research Project, "Lingual Taste Perception."
1991 - Yanique LeCadre - Undergraduate Dental Student, Summer Research Project, "Palatal Taste Perception."
1991 - Michelle Robinson - Undergraduate Dental Student, Summer Research Project, "Chorda Tympani Taste Perception."
1992 - Pam Hovliaras - Undergraduate Dental Student, Summer Research Project, "Effects of Topical Anesthetics on Taste."

1993 - Pam Hovliaras - Undergraduate Dental Student, Summer Research Project, "Effects of Topical Anesthetics on Taste."

2003- Manav Malik, Undergraduate Dental Student, Summer Research Project, Effects of Traumatic Brain Injury on Taste, Olfactory and Cognitive Function

2004- Dr. Julie Russo, Pediatric Dentistry Resident, Required Research Project, Relationship between Dental Caries and PROP taste

2004- Ms. Claire Edgemon, Masters Degree candidate in Nutrition, Thesis Committee, Relationship between Dental Caries and PROP taste

2004- Dr. Nicholas White, Pediatric Dentistry Resident, Required Research Project, Relationship between PROP status and taste bud anatomy

2004- Anis Elkhechen and Darshan Naidu, undergraduate students, 2 credit honors elective course, Co-supervisor, summer

2005- Kristen Leigh Skelton, College of Health and Human Performance undergraduate, 15 credit internship, Fall Semester, Internship supervisor

2006- Alesia Apana, College of Health and Human Performance undergraduate, Practicum Supervisor, 10 hours per week

2006- Cara Clark, UF College of Dentistry Summer Research Program 2006

2007- Kiersten Adams, UF College of Health Professions and Public Health, MPH student, Research Practicum

PRESENTATIONS

1. "Recent Advances in Taste and Smell," Student Research Day, Harvard School of Dental Medicine, Spring 1971.
2. "Sweet Taste and Dental Caries," Monell Chemical Senses Center, University of Pennsylvania, Fall 1973.
3. "Oral Sensation and Perception," School of Dental Medicine, State University of New York at Stony Brook, September 15, 1974.
4. "Space Maintaining and Space Regaining Appliances," Continuing Education Table Clinic, University of Connecticut Health Center, Fall 1975.
5. "Space Maintaining and Space Regaining Appliances," New England Dental Society, Annual Meeting, October 1, 1975.
6. "Oral Sensation and Perception," School of Dental Medicine, State University of New York at Stony Brook, February 4, 1976.

7. "Chairside Management of the Handicapped Patient," New Haven Regional Center, May 5, 1976.
8. "Basic Pedodontic Problems," New Haven Dental Association, April 7, 1977.
9. "Dentistry for the Handicapped," (Course Director) University of Connecticut Health Center, Continuing Education Course, March 3, 10, 31; April 7, 14, 1977.
10. "Nutritional Aspects of Taste - Zinc Interactions," American Society of Clinical Nutrition Meeting, Washington, D.C., April 29, 1977.
11. "Recent Advances in Taste," Food Science Laboratory, U.S. Army Laboratories, Natick, Massachusetts, February 10, 1977.
12. "Sucrose Taste Thresholds and Dental Caries," American Academy of Pedodontics, May 31, 1977, Miami, Florida.
13. "The Potential Role of Zinc in Gustation," Presentation to the Human Behavior and Metabolism Group, Rockefeller University, December 16, 1977.
14. "Sucrose Taste Thresholds: Age and Sex Relationships," Chemical Senses and Intake Society, Meeting of the Eastern Psychological Association, Washington, D.C. March 29, 1978.
15. "Disorders of Oral Sensation," Presentation at the School of Dental Medicine, State University of New York at Stony Brook, May 3, 1978.
16. "Facts and Fallacies about Taste and Smell," Unionville Lions Club, November 14, 1978.
17. "Trace Metals and Taste," Seminar at Monell Chemical Senses Center, University of Pennsylvania, November 14, 1978.
18. Catalanotto, F.A., "Letter to the Editor," J. of Prev. Dent., 5:31, 1978.
19. "De Gustibus, Non Est Disputandum: Taste and Zinc," Dental Dean's Research Seminar, University of Connecticut Health Center, January 10, 1979.
20. "Nutritional Considerations in Oral Health," presented to the Department of Epidemiology at Yale University, School of Public Health, February 28, 1979.
21. "Effects of Zinc Deficiency in Taste," First Annual Meeting of the Association for Chemoreception Sciences, Sarasota, Florida, April 22-26, 1979.
22. "Depressed Chorda Tympani Responsiveness in Desalivated Rats," poster presentation, First Annual Meeting of the Association for Chemoreception Sciences, Sarasota FL, April 22-26, 1979. (Catalanotto, F.A. and Frank, M.)

23. "Oral Sensation and Perception," Lecture at School of Dental Medicine, State University of New York at Stony Brook, Long Island, June 20, 1979.
24. "Pediatric Vital Signs in Clinical Practice," Table Clinic presented at the Chicago Dental Society Meeting, February, 1980.
25. "Taste-Nutritional Interactions in Disease States," Lecture to Department of Nutrition at Storrs Campus of the University of Connecticut, March 21, 1980.
26. Symposium Chair, "Chemosensory Testing in a Clinical Setting," American Chemoreception Society Meeting in Sarasota FL, April 8, 1980.
27. "Oral Sensation and Perception," Lecture at the School of Dental Medicine, State University of New York at Stony Brook, May 9, 1980.
28. Chair, Graduate Pedodontic Student Research Award Committee Presentations at the Annual Meeting of the American Academy of Pedodontics, San Francisco CA, May 24, 1980.
29. "Animal and Clinical Models of Taste Dysfunction," Lecture at the Taste and Smell Center of the University of Pennsylvania, School of Medicine, February 11, 1981.
30. "Animal and Clinical Models of Taste Dysfunction," Lecture at the Center for Molecular Nutrition and Sensory Disorders, Georgetown University, School of Medicine, February 12, 1981.
31. "Basic and Clinical Aspects of Chemoreception," Lecture at the School of Dental Medicine, State University of New York at Stony Brook, May 8, 1981.
32. "De Gustibus, Non Disputandum Est," Lecture to the New England Psychology Association, Worcester, MA, October 30, 1982.
33. "Recent Advances in Our Understanding of Taste and Smell," New Britain Dental Society, November 11, 1982.
34. "Recent Advances in Taste and Smell," Connecticut Medical Records Association, December 1, 1982.
35. "Recent Advances in Taste and Smell," New Britain Dental Society, February 1, 1983.
36. "Funny-Looking Teeth," Dental Department, DENTAC, Fort Devens MA, February 24, 1983.
37. "Dentistry for the Handicapped and Hospitalized Patient," Baystate Medical Center, Springfield, MA, May 16, 1983.

38. "Animal Models of Taste Dysfunction," at the Conference on Human Taste and Smell: Measurement and Uses, Memorial Sloan Kettering Cancer Center, New York City, New York, June 2-3, 1983.
39. "Chemosensory Changes in Multiple Sclerosis," at Conference on Human Taste and Smell: Measurement and Uses, Memorial-Sloan Kettering Cancer Institute, New York City, New York, June 2-3, 1983.
40. "Recent Advances in Taste and Smell," Waterbury Dental Society, September 13, 1983.
41. "Chemosensory Function and Zinc Status in Patients Undergoing Renal Dialysis," Joint Meeting of the American Association of Nephrology Nurses and Technicians and the American Dietetic Association, Hartford, Connecticut, September 20, 1983.
42. "Clinical Assessment and Interpretation of Taste and Smell Dysfunction," ENT Rounds, New Britain General Hospital, New Britain, Connecticut, May 15, 1984.
43. "Measurement and Interpretation of What the Nose Knows," Neurology Grand Rounds, New York Hospital, New York, June, 1984.
44. "Recent Advances in Taste and Smell," Medical Grand Rounds, New Britain General Hospital, September, 1984.
45. "Everything You Always Wanted to Know About Taste and Smell," West Hartford Rotary Club, September, 1984.
46. "Facts and Fallacies about Taste and Smell," Danbury Dental Society, October 15, 1984.
47. "Taste and Smell," Hartford Dental Hygienist's Association, November 13, 1984.
48. "Everything You Always Wanted to Know About Taste and Smell," Farmington Rotary Club, February 5, 1985.
49. "Recent Advances in Taste and Smell," Manchester Dental Society, February 5, 1985.
50. "Recent Advances in Our Understanding of Taste and Smell," University of North Carolina, School of Dentistry, February 21, 1985.
51. "Taste and Smell in the Elderly," Gerontology Grand Rounds, Mt. Sinai Hospital, March 13, 1985.
52. "Facts and Fallacies about Taste and Smell," New Jersey College of Medicine and Dentistry, April 2, 1985.

53. "Lessons from Four Years of the 'Sip and Snort' Clinic," University of Texas Health Science Center at San Antonio, School of Dentistry, May 15, 1985.
54. Chair, Session on Sampling Olfactory Stimuli, Association for Chemoreception Sciences, 7th Annual Meeting, Sarasota FL, April 1985.
55. "Preventive Dentistry Aspects of Pediatric Dentistry," Continuing Education Course for Mexican Dental Association at UTHSCSA-Dental School, April 30, 1986.
56. "Spatial Localization of Taste Sensitivity," Fourth Annual Clinical Dental Science Symposium, UTHSCSA-Dental School, May 1, 1986.
57. "The Dentist's Role in the Evaluation of Taste and Smell Dysfunction," Breakfast Clinic, Texas Dental Association, May 2, 1986.
58. Symposium Organizer and Moderator, International Association for Dental Research, Chicago IL: "A Guide for Good Taste: Advances in Taste for the Oral Biologist," 1986-87.
59. Symposium Organizer and Moderator, American Academy of Pediatric Dentistry, San Diego CA – "The Future of Pediatric Dental Practice," 1987-88.
60. "Recent Advances in Taste and Smell," Seminar to ENT Residents, UTHSCSA, January 19, 1988.
61. "The Future of Pediatric Dental Practice," Symposium Organizer and Chair at Annual Meeting of the American Academy of Pediatric Dentistry, May 14-17, 1988, San Diego CA.
62. "Comparison of Four Collection Methods and Three Bacteriological Media for Streptococcus Mutans," Research Presentation at Annual Meeting of the American Academy of Pediatric Dentistry, May 14-17, 1988, San Diego CA.
63. Invited Participant, World Workshop on Oral Medicine, Chicago IL, June 10-24, 1988.
64. "Microbiological Screening Tests for Dental Caries and Periodontal Disease in Children and Adults Mini-Clinic," presented with Dr. Jayne Delaney at Annual Meeting of the American Academy of Pediatric Dentistry in San Diego CA May 14-17, 1988.
65. "Recent Advances in Taste and Smell," Otorhinolaryngology Grand Rounds, UMDNJ - New Jersey Medical School, March 22, 1989.
66. "Clinical Aspects of Taste and Smell," Continuing Education Course, UMDNJ - New Jersey Dental School, January 31, 1990.

67. "De Gustibus, Non Disputandum EST - Recent Advances in Clinical Aspects of Taste and Smell," presented at Harvard University School of Dental Medicine, Symposium in honor of retirement of Dean Paul Goldhaber, July 1990.
68. "Facts and Fallacies About Taste for the Dentist," Greater NY Dental Meeting, November 1990, Table Clinic.
69. "Taste, Smell and Aging," Greater New York Dental Meeting, December, 1991. Invited Lecturer.
70. "Clinical Aspects of Taste and Smell," Continuing Education Course, UMDNJ - New Jersey Dental School, November 26, 1991.
71. Organizer, Academic Workshop, American Academy of Pediatric Dentistry, Postdoctoral Programs, May 1992.
72. Symposium Organizer, American Academy of Pediatric Dentistry: "Epidemiological, Ethical and Practical Aspects of Dental Care for HIV-Infected Patients," May 1992.
73. "The Sad State of Affairs in Academic Pediatric Dentistry" - A Poster Presentation at the Academician's Workshop. American Academy of Pediatric Dentistry. Seattle WA, May, 1992.
74. "Advances in Our Understanding of Taste and Smell: Basic Science and Clinical Practice," Invited Review of the Literature J.D.R. Vol. 71, Special Issue, #689, 1992.
75. Participant, AADS Symposium on Model Curricula, March 1993.
76. "Clinical Aspects of Taste and Smell," Continuing Education Course, UMDNJ-New Jersey Dental School, April 7, 1993.
77. "Future Directions of Dental Education: No Shortage of Recommendations," American Academy of the History of Dentistry, Orlando FL September 26, 1996.
78. "How Managed Healthcare May Affect Fundraising - Perspectives from a Dental School Dean," National Directors' meeting, American Dental Association, Orlando FL, September 30, 1996.
79. "Increasing Revenue – Development," Organized and Chaired Symposium, AADS Council of Deans Meeting, Tuscon AZ, November 15, 1997.
80. "Perspectives on Dental School - Hospital Negotiations: A Case Study," AADS 75th Annual Session and Exposition, Orlando FL, March 1, 1998.
81. "Simulation and Virtual Reality," Organizer and Moderator, AADS Council of Deans Annual Meeting, Key Largo FL, November 15, 1998.

82. "HIV/AIDS Dental Reimbursement - Historical Perspectives and Model Community-Based Partnerships to Improve Access," Ryan White National Meeting, Washington DC, January 2000.
83. "Changing Paradigms: Foundations for Assuring Diversity in the Oral Health Workforce," 4th National Minority Recruitment and Retention Conference, Ft. Lauderdale FL, October 4-6, 2000.
84. "Assuring Junior Faculty Become Senior Faculty" Symposium participant at the 78th Annual ADEA meeting, March 4, 2001, Chicago, IL
85. "Enhancing Student Research & Training of Future Academicians; A Solutions-based Approach", 30th Annual AADR/CADR Meeting, March 7, 2001, Chicago, IL
86. Symposium Moderator- Maximizing Dental Residency Training Support Under Medicare Graduate Medical Education. 79th Annual American Dental Education Association meeting, March 5, 2002, San Diego, California. J. Dent. Ed. 66:2, 176, 2002
87. Panel Participant- Diversity: A Dean's Perspective. 79th Annual American Dental Education Association meeting, March 3, 2002, San Diego, California. J. Dent. Ed. 66:2;165,2002
88. Evolving Methods of Assessments: A synopsis of the Prague Dented Discussions. Dented Southeast Asia Meeting, April 5, 2002, Singapore
89. Chair, Open discussion on Assessment. Dented Southeast Asia Meeting, April 6, 2002, Singapore
90. Future Strategic Initiatives for ADEA and Dental Schools, Presentation at the 44th Annual Meeting of the ADEA Council of Deans, Pasadena, California, November 12, 2002
91. Recommendations of The Report of the ADEA President's Commission entitled "Improving the Oral Health Status of All Americans: Roles and Responsibilities of Academic Dental Institutions", Presentation to the American Association of Dental Examiners Mid-Year Meeting, March 24, 2003, Chicago, Illinois
92. Education for International Dentists and Licensure Issues for Internationally Educated Dental School Faculty, Presentation to the American Association of Dental Examiners Mid-Year Meeting, March 24, 2003, Chicago, Illinois
93. Participant in National Conference of State Legislators, May18-19, 2003, Park City Utah, How can Dental Schools help states deal with oral health care access problems

94. Invited Presentation- "Access to Care: A Tale of Two Cities", Presentation to Students and faculty at the University of Kentucky ASDA Day, February 25, 2004
95. President-Elect Address, "Access and Diversity: Educating for Change", American Dental Education Association House of Delegates, Seattle, March, 2004
96. Symposium Co-organizer and Chair, "Required Postdoctoral Education, Access, Education and Licensure Issues", American Dental Education Association Annual Meeting, Seattle, March 2004
97. Invited Symposium Participant, "Partnerships that Work: The University of Florida Statewide Network for Community Oral Health", American Dental Education Association Meeting, Seattle, March 2004
98. Invited Symposium Participant, "Recent Developments Provide New Energy for Diversity Initiatives: Responses at the University of Florida to the Michigan Supreme Court Decisions". American Dental Education Association Meeting, Seattle, March 2004
99. Invited Presentation- "Access and Diversity: We Must Do More", Presentation to Students and Faculty at the University of Texas Health Sciences Center at Houston, Dental Branch, Diversity Forum, May 25, 2004
100. Invited Presentation- "Improving Access to Care: The Role of Dental and Allied Dental Education and Academic Dental Institutions", Annual Meeting of the American Dental Public Health Association and the Association of State and Territorial Dental Health Directors, May 2, 2004, Los Angeles
101. Invited Presentation- "(What you ought to know about) What you mouth says about you", Association of Academic Health Centers Annual Meeting, June 5, 2004, Washington, DC
102. Invited Presentation- "Linking Access and Diversity/ Securing the Future for Diversity Initiatives", ADEA Minority Recruitment and Retention Conference, Chapel Hill, North Carolina, October 25, 2004
103. Invited Presentation- "The Changing Paradigm in Dental Education and the Role of Dental Residencies", NERB Annual Public Advocacy Committee Meeting, Washington, DC, October 28, 2004
104. Invited Presentation- "The current status of national licensure in dentistry", Florida Dental Association House of Delegates, January 7, 2005, Tampa, Florida
105. Invited Presentation- "An individual and ADEA's perspective on National Clinical Licensure", Southern Conference of Dental School Deans and Examiners", January, 2005, New Orleans, Louisiana.

106. ADEA/IADR/AADR Joint Symposium, Co-organizer and Presenter, Education for Minority Oral Cancer Disparities, March 8, 2005, Baltimore, MD
107. ADEA/IADR/AADR Joint Symposium: NIDCR Dialogue Panel with the ADEA and AADR Presidents, Presentation entitled The Role of Research in Dental Education, March 9, 2005, Baltimore, MD
108. ADEA Deans Advocacy Day, “Joint Development of a National Advocacy Network with AADR and others”, April 19, 2005, Washington, DC
109. AAPHD Annual Meeting, Legislative Training Workshop, “Toward a National Advocacy Network: A Conversation With Participants”, May 1, 2005, Pittsburg, PA
110. California Dental Association, Forum on National Clinical Licensure, “ADEA’s Perspective on National Clinical Licensure”, June 2, 2005, Sacramento, CA
111. International Dental Ethics and Leadership Society Meeting, “Professional Promises: Hopes and Gaps in Access to Care”, Florence, Italy, October 20-22, 2005
112. ADEA National Oral Health Advisory Committee Town Hall Meeting: The Threat to Federal Funding for Dental Education and Research, Co-Moderator, March 7, 2006, Orlando, Florida
113. ADEA Annual Meeting Symposium: Professional Promises: Hopes and Gaps in Access to Care, Principal Coordinator, March 9, 2006, Orlando, Florida
114. NOHC Annual Meeting Symposium: Professional Promises: Hopes and Gaps in Access to Care, Principal Coordinator, May 2, 2006, Little Rock Arkansas
115. Deans Seminar Series, University of Mississippi Dental School, “You are what you eat: more than you want to know about taste and smell”, May, 2007
116. Senior Convocation Presentation, University of Mississippi Dental School, “Hollywood themes of leadership”, May 2007
117. International Dental Ethics and Law Society, Keynote Speaker, Ethical Issues in Access to Oral Health Care, May, 2007, Toronto
118. Pediatric Oral Health for Physicians, Florida Academy of Family Physicians, Summer Breakaway Meeting, Palm Beach, Florida, July 28, 2007
119. ADEA Dental Dean’s Fall Conference, Keynote speaker, Ethical (and other) Issues That Cut Across the Continuum of Dental Education, Licensure and Practice, November, 2007, Austin, Texas

120. Pediatric Oral Health for Physicians, Pediatric Update Annual Meeting of UF College of Medicine Pediatric Residency Program, Gainesville, FL, November 3, 2007
121. Florida Dental Association, House of Delegates Meeting, January 11, 2008, Tampa, Florida. 15 minute presentation on ECC/Physician Education Program as part of a 2 hour workshop on access to oral health care
122. Florida State Government, Tallahassee, Florida, meetings with Secretary and senior staff in Agency for Health Care Administration (Medicaid agency), Department of Health, and Governor's Office about HRSA grant initiative/physician involvement in oral health. February 4/5, 2008
123. Florida Pediatric Society, Orlando Florida, Executive Committee Presentation about HRSA grant and physician involvement in oral Health, Sunday, February 10, 2008
124. American Dental Education Association, Annual Meeting, Plenary Session Panel Discussion "Ethical behavior in dental students- cheating", April, 2008, Dallas Texas
125. North Collier Hospital, Naples, Florida, Pediatric Grand Rounds, CME on Involvement of Physicians in Pediatric Oral Health, Tuesday, June 3, 2008
126. Sante Fe Group, Oral Health Workforce, Invited Keynote Speaker, Ethical (and other) Issues that Impact on Access to Oral Health Care, Group Moderator, New York City, June, 2008
127. Flagler Hospital, St. Augustine, Florida, Grand Rounds CME on Involvement of Physicians in Pediatric Oral Health, Thursday, June 12, 2008
128. Benton Pediatrics (Private Practice), Gainesville, FL, July 18, 2008, Role of the Medical Team in the Prevention of Early Childhood Caries
129. Arthur Dugoni School of Dentistry, General Faculty Presentation, "Am I Living Up To My Ethical Responsibilities As A Dentist", San Francisco, July 20, 2008
130. Arthur Dugoni School of Dentistry, Student Classroom Presentation, "Access to Oral Health Care: A Tale of Two Cities", San Francisco, July 20, 2008
131. ADEA Dental Deans Meeting, Park City, Utah, August 3, 2008, Panel Discussion on Problem Solving for Deans: Advice from Former Deans
132. Family Health Centers of SW Florida, Fort Myers, FL, August 13, Role of the Medical Team in the Prevention of Early Childhood Caries
133. Winter Haven Hospital Regency Medical Center, Grand Rounds CME on Involvement of Physicians in Pediatric Oral Health, Wednesday, August 19, 2008

134. Shands at AGH, UF Family Medicine Residency Program Grand Rounds, Gainesville, FL, August 28, 2008, Role of the Medical Team in the Prevention of Early Childhood Caries
135. Clearwater, FL, Sept. 3, 2008, USF-Morton Plant Mease Family Medicine Residency Program, Role of the Medical Team in the Prevention of Early Childhood Caries
136. Marion County Health Department, Ocala, FL, Involvement of Physicians in Prevention of Early Childhood Caries, Sept. 9, 2008
137. Children's Board of Hillsborough County, Involvement of Physicians in Pediatric Oral Health, Wednesday, September 10, 2008
138. Baptist Hospital/Wolfson Children's Hospital, Jacksonville, FL, Involvement of Physicians in Prevention of Early Childhood Caries, November 5, 2008
139. Bayfront Medical Center, Family Medicine Residency Program, St. Petersburg, FL, Involvement of Physicians in Prevention of Early Childhood Caries, November 10, 2008
140. Missouri Oral Health Coalition, Dec. 12, 2008, Columbia, MI, Gator Kids Healthy Smiles: Update on the Florida Experience with Physician Involvement with Oral Health
141. University Community Hospital, Tampa, FL. January 14, 2009, Grand Rounds, Role of the Medical Team in the Prevention of Early Childhood Caries
142. Institute of Medicine, Washington DC, February 11, 2009, Sufficiency of the U.S. Oral Health Workforce in the Coming Decade: A Workshop; Panel Discussant on Reframing the System – Who will provide leadership?
143. Florida Keys AHEC, Physician Implemented Oral Disease Prevention, April 1, 2009, Marathon, Florida
144. Florida Association of Community Health Centers, 2nd Annual Clinicians Educational Conference, Physician Implemented Oral Disease Prevention, April 4, 2009, Orlando, Florida
145. Florida School Health Association, What you should know about Oral Health and School Learning, Annual Meeting, May 14, 2009, Orlando, FL
146. Florida Oral Health Workforce Committee Meeting, How to Increase Access to Care for Children in Florida, June 26, 2009, Tampa, FL
147. Florida Healthy Start Annual Meeting, Oral Health as part of the Healthy Start Program, July 14, 2009

148. Florida Oral Health Conference, Role of the Medical Team in Prevention of Early Childhood Caries, August 4, 2009, PGA Resort, Palm Beach Gardens, FL
149. Florida Public Health Association, Role of Academic Dental Institutions in Improving Access to Care in Florida, August 5, 2009, PGA Resort, Palm Beach Gardens, FL
150. National Coalition for Health Care, Symposium on Health Care Reform, The Need to Include Oral Health in Health Care Reform, July 29, 2009, Miami Dade College, FL
